One: We gather this day coming in search of life's deeper meaning.

Many: All of us have moments of weakness and times of strength;

all of us sings songs of sorrow and love.

One: May our worship bring us strength and courage this day.

Many: In the presence of the sacred, may we come to know our true selves, and

find fresh resolve to love kindness and do good.

* HYMN - "For All That Is Our Live" (see insert)

Minister: The Peace of God be with you.

People: And also with you.

THE PEACE

WELCOME

CHURCH COVENANT

In the love of truth and the spirit of Jesus Christ We join for the worship of God and service to humankind. God of surprises, we know that we rarely perceive the world as you do. We look to the flashy fame, the grand gestures, optimal achievements, and unreachable standards. Yet, in spite of our misguided reach towards perfection, you give us glimpses of your grandeur and grace. Surprise us yet again this day, O God, that in our complacency which allows us to drift towards the same old ways of faith that we may be transformed anew. Provide us with a new cup of oil that we may be anointed by your grace so that we may set out into your world to bless and anoint others. This we ask in the spirit of your son Jesus, who taught us to pray, saying together,

Our Father....
