

# FIRST PARISH CHURCH IN WESTON

## Church School Volunteer Sign-Up

---

**Volunteers are not only what makes our programs special— they are what makes our program possible!** The time and talent you offer makes a significant difference in the lives of the children in our congregation. Church is one of the last places where families can find intergenerational community without strings attached – kids connect with adults who aren't parents, teachers, coaches, tutors... **Help us strengthen and expand the village that sustains us all.**

**NOTE:** *All volunteers, teachers, and staff who interact with the children and youth are required to complete a Criminal Offender Record Information (CORI) form. Additional information will be shared via email once you submit this form.*
